**Extensions, Overnight Parking & Hangarage**

All charges applicable are per aircraft, based on earliest arrival time/site access time, or the latest time of departure and are in addition to all other applicable costs.

Extensions are granted on a case-by-case basis, subject to staffing and must be in writing/email confirmed with the duty Manager.

Applicable charges per aircraft:

Out-of-Hours (OOH)	£120.00	(Ex. VAT) per hour or part thereof
Overnight Apron Park (at owners risk)	£ 30.00	(Ex. VAT)
Hangarage	£100.00	(Ex. VAT) per night

Rotors-Running Refuels (RRR) – Our Speciality!

Subject to operational requirements, Cardiff Heliport has always and will endeavour, when able to, accommodate Rotors-Running Refuels (RRR) for aircraft requiring such services. This service (RRR) will be carried out at the Duty Manager's discretion. All RRR's are to be booked in advance! All pilots requiring this service are to adhere to any/all instructions promulgated through R/T (radiotelephony) or otherwise.

*Wheeled rotorcraft are to have a serviceable parking brake

*Rotorcraft are to ensure all throttle/FADEC controls are set to IDLE or equivalent for duration

Weather

Whilst Cardiff Heliport remains an unlicensed Heliport, our unofficial weather can be found here: www.cardiffheliport.com/weather

Flight Plans

Any and/or all pilots filing flight plans do so at their own discretion and they are solely responsible for ensuring that the flight plan has been activated and/or closed.

This being said, we can upon request, activate/close flight plans for the P.I.C which will entail us telephoning Swanick (0845 601 0483) and specifying the callsign, registration and time you landed/departed (according to our movement log).

GAR Reporting

Cardiff Heliport is an unlicensed Heliport but holds a Certificate of Agreement (CoA) with Border Force.

Filing GAR's remains the pilot's responsibility.

Local Unit – Border Force Cardiff

Based at Cardiff International Airport (EGFF).
